Dear Sir/Madam

Aurecon has been subscribed to the Contracts On-Demand e-PROCSA Service since 17 January 2013. In this time Contracts On-Demand has continually been improving the Services that they offer.

We have purchase numerous PROCSA contract documents for various projects country wide and the ease of use and quick assess through e-DOCX is a big plus. We find that the PROCSA Client / Consultant Agreements are also being use more and more frequently.

The Help Desk client services are also excellent and any problems are quickly attended to.

I would therefor recommend the "e-CLOUD Construction" services to anyone who needs them.

Best Regards

Angelique Remcken BTech. LIS
