

**TO WHOM IT MAY CONCERN**

We have used Contracts on Demand for more than 10 years and find the system extremely user friendly.

We are impressed by the constant improvements and additions to the system which helps us complete various versions of the Procsa and JBCC documents in a timeous fashion.

Any queries are always responded to in a prompt manner and handled professionally.

We would like to endorse the "E-Cloud Construction" Suite to any other company in the industry.
