Document Access Services

Document Access Service - Basic Suite (JBCC & PROCSA)

For those who just wish to purchase Documents online and complete them either by hand in the conventional way or electronically, we are pleased to announce the availability of an additional more simpler way of purchasing JBCC and PROCSA Documents through a 'shopping cart' approach similar to that used to purchase other items online. We call this **Basic Suite** as opposed to **Pro Suite** that provides the productivity facilities. Please click on the following for further information: [PROCSA](#) [JBCC](#)

Sign On-Demand®

FREE FOR A LIMITED TIME PERIOD - DON'T MISS THIS OPPORTUNITY

A new supplementary Service is now available within **Pro Suite** for you to quickly circulate any Agreement for legal electronic signatures and the initialling of each page. This enables you to focus on the work of running your projects rather than wasting time on endless administrative functions. **Sign On-Demand®** is a cloud-based e-signature service within our Document

Access Services and lets you replace paper and ink signature processes with a fully automated electronic signature workflow.

JBCC Claims Notices with Calendar

JBCC Document Access Service **Pro Suite** now includes a selection of **Project Claims Notice Documents** with and including access to a South African working day Calculator and Calendar.

Advertising & Promotion with the Electronic Marketing Maximiser® Service

The Electronic Marketing Maximiser® Service is our online Company Promotion Service that lets you maximize your existing electronic marketing investment. For example, complimenting /maximizing the money you've spent on your website and social media pages (Facebook, Twitter, Linked etc.) ([Click here for further information](#))

PROCSA Advertising pages with Active Banner

Your company can now take an A4 advertisement in the PROCSA Agreements that includes an embedded 'Active Banner'. ([Click here for further information](#))

Active Banner®

Our Active Banner system is part of our Electronic Marketing Maximiser Service and provides the viewer with access from selected web pages to the advertising company's:

- Slogan and contact details
- Website Home Page
- Profiles (When present) on: LinkedIn, Facebook, Twitter
- Skype address
- Facility to send your company an e-mail
- Facility to send an SMS to your company's sales representative's cell phone

Company Branding Advertisement opposite your PROCSA Agreement

Signing Pages

Your Company can now take a Branding Advertisement in any PROCSA Agreement that your company purchases for your own Projects. This is achieved by the automatic insertion of your company's full colour A4 Advertisement page for inclusion opposite the Agreement signing page.

(For these advertising & promotion opportunities please call Thinus on 082 052 1917)

CPD On-Demand® online CPD Service

CPD On-Demand for the Architectural Profession

Members of the Architectural Profession can now earn their CPD Credits by using the new CPD On-Demand Service. ([Click here for further information](#))
