

## e-CLOUD Construction® Newsletter - November 2019

### General News

Please note that our Help Desk telephone number is now 010 010 7588. Users can also make use of our online support service by [clicking here](#).

Social Media pages - Please see our [Facebook](#), [Linkedin](#) and [Twitter](#) pages.

### Document Access Services

#### Pro Suite User Interface

The user interface of the Pro Suite across all Suites has now been improved, with the access of both Project and Reference Documents all accessible within one page. All actions such as downloading, collaborating, emails, etc. have now been combined in one dropdown menu.

#### Additional Document Suites

COD is now busy adding the CESA forms of Agreements.

#### User Survey

The User Survey for our Document Access Service announced in our June Newsletter provided valuable insight into the use of the Service which, based on user feedback, led to the release of a new look and feel for the PRO SUITE Services. Please contribute to this survey if you have not done so yet, by clicking on the button below:

## CPD On-Demand® online CPD Services

The CPD On-Demand Architectural Service can be accessed from the SAIA Website click [here](#), or from the CPD On-Demand Home-Page click [here](#).

COD has recently completed the CPD On-Demand Voucher Purchase Service that enables companies to purchase CPD On-Demand 'Study Aid' Vouchers for their staff or as marketing gifts. Users can now use these to access the 'Study Aids' within the Service. Click [here](#) for the Voucher Service.

We are also pleased to announce that we are now developing the CPD On-Demand Engineering Consultants Service, in conjunction with CESA. This will be officially launched in February next year.

Good progress is being made with the development of the new CPD On-Demand Service for Project Managers.
