

e-NBR Document Access Service

National Building Regulation Approval Forms

Document Price List

The 4 Forms from the National Building Regulations have been re-produced with added-value. This added-value relates to the on-line completion of each form for a specific Project, and the use of the facilities within the Document Access System of e-CLOUD Construction.

Document Price List

Prices are all inclusive of Value Added Tax

Reference / Educational Documents

The Reference / Educational Document versions are intended as such and cannot be completed for a Project. They are watermarked “For Educational Purposes” on every page.

Subscriber Prices

Subscribers to any of the e-CLOUD Construction Services qualify for “Subscriber” prices.
