

e-JBCC AUTOMATED CPAP APPLICATION

This Service is one of the 'Add-On' Services to the e-JBCC Service within the "e-CLOUD Construction" Suite of Productivity Services. It is available through the Internet via the JBCC Website www.jbcc.co.za, the e-CLOUD Construction website www.e-cloud.co.za. and the Contracts On-Demand Website www.contractsondemand.co.za

Description

This facility provides users with a new application to calculate the Contract Price Adjustment Provisions for payment certificates:

- The workgroup indices are automatically inserted per workgroup based on the date of the certificate
- The workgroup base indices are automatically inserted per workgroup based on the tender date of the project
- Roll-up of CPAP to the current certificate
- Indices are only available to users who subscribe independently to JBCC CPAP. The latest indices are provided monthly in an electronic format suitable for use Project Cost Control Application and CPAP application. These Indices are necessary for calculating the fluctuations in building costs on building contracts.

FEATURES

- Latest Indices in electronic format for use within the provided applications, on a monthly basis
- Latest Indices in Microsoft Access format from SA Stats, on a monthly basis, for automatic import into payment certificates
- The workgroup indices are automatically inserted per workgroup based on the date of the certificate
- The workgroup base indices are automatically inserted per workgroup based on the tender date of the project
- Roll-up of CPAP to the current certificate

BENEFITS

- *Keep up-to-date with your CPAP Valuations*
- *Save time on manual calculation of CPAP*
- *Automatic allocation into the relevant workgroups*

Subscription

Provided on an annual subscription basis per workstation. Paid monthly.
