

Courses On-Demand® Service 24 Feb 2021

The Online Courses On-Demand Service designed for Built Environment Professionals

The Courses On-Demand® world leading online platform and Service has been developed as part of the e-CLOUD Construction Suite of Productivity Services and is a collaborative venture.

Available via www.cpd-ondemand.co.za, e-CLOUD Construction® www.e-cloud.co.za, and through the websites of participating Voluntary Associations operating under Professional Councils serving the Built Environment.

Overview of the Service

Courses On-Demand is designed to provide course contents for all Built Environment Professionals, irrespective of the nuances of the requirements of each Professional Council and each Voluntary Association. It is available for users, online 24/7.

Courses On-Demand is currently being used by the following Voluntary Associations. All these use a common online platform, that enables the sharing of training material if it is applicable to more than one Profession.

THE ASSOCIATION OF ARBITRATORS (SOUTHERN AFRICA) NPC

Access for Students

Designed primarily for individuals registered with their particular Voluntary Associations.

Courses

The Courses On-Demand Service provides an easy to use on-line method of accessing content in various formats. i.e. pdf, video, powerpoint etc. These Exams are developed by each Voluntary Association for their members or students to sit. It provides access to assignments, submission of assignments, registration for webinars and exams. The Service interfaces directly with the Exams On-Demand Service.

Certificates

Users of the Service are required to Register initially by entering their details. On achieving the required standard, Users are presented with their Certificates of Achievement.

Personal Folders

The Assignment, Exam Submissions and Certificates of Achievement are all stored online in personal folders where they can be reviewed again, later, if required.

User Benefits

- The Service is provided in conjunction with recognised industry organisations
- Online Course registration with e-Commerce payment facility
- Convenient online access to online Courses
- Controlled access to content
- Direct interface with the Exams On-Demand Service
- Automated issue of Certificates of Attendances, available immediately for printout and stored in your personal folder
