## Newsletter - June 2020

## General News

### COVID-19 Cooperation Opportunity

Since our last Newsletter in early March we have experienced a major disruption to the industry's normal way of working. This disruption is causing a paradigm shift towards online working for professionals in the industry. Contracts On-Demand is here to help you in that process, with our 'cloud-based' online Platforms and Services.

We are currently in discussions with a number of Voluntary Associations regarding our new Voluntary Associations Online CPD Training Cooperation initiative for Continuous Professional Development in the construction industry. This enables Voluntary Associations to tap into additional sources of revenue in these challenging times.

## Document Access Service

The Document Access Services are all based on our e-DOCX Online Platform.

### CESA Document Access Service

We have now, in conjunction with CESA, included CESA Agreements within our Document Access Service. It can be accessed from the [e-CLOUD Construction Website - Document Access Service](#) page or the CESA Website and by clicking the icon below.

### e-JBCC Document Access Service

#### **Small and Simple Works Contract Edition 1.0 – May 2020**

This new form of contract has now been included within the e-JBCC Service. It is intended for alterations, renovations and additions to existing buildings, or new building works that are not more than three storeys in height and where no sophisticated building systems are used nor complex services are to be installed.

#### **Direct Contractor's Contract Edition 1.0 – May 2020**

This new form of contract has now been included within the e-JBCC Service. It is intended for use where an employer elects to appoint, prior to practical completion, a contractor directly to perform work where a main contractor has been appointed under the JBCC Principal Building Agreement, Minor Works Agreement or Small and Simple Works Contract.

## e-Safety Document Access Service

We are currently enhancing our Document Access Service for Health & Safety Documents with documentation Related to COVID-19. Please click on the icon below:
