CPD On-Demand® online CPD Service

CPD On-Demand for Project Managers

We are pleased to announce the formation of an Alliance between Contracts On-Demand and the Association of Construction Project Managers (ACPM) for the development of an online **CPD On-Demand Service for Project Managers**. This will supplement the existing CPD Online Service that we are running in conjunction with the SA Institute of Architects (SAIA).

This Service is currently under development. Please look out for the date of launch.

New Webinars On-Demand® Service

We are pleased to announce the introduction of a new Service for organisations and companies, following our experience in running CPD Validated Webinars for PROCSA over the past few years.

This Service assists in the organisation and running of Webinars and in video recording them for providing training videos for CPD On-Demand. Click [here](#) to find out more.
